

Dear Members,

WOW! What a busy month November is! We have added two more events to our calendar! The InterCultural group is putting on a club sponsored event about artificial intelligence on November 28th. Drinks and tapas are on us! The cooking group is looking forward to a luncheon at the Palafrugell cooking school. Culinary Adventures is sponsoring a traditional Thanksgiving feast on November 23rd at the home of Nick and Diane West.....and we have an outing to the Joan Miro Foundation.

A special thanks to the quiz master, David Stuttard for a challenging but fun quiz night at the S'Agaro Hotel. The winners, are our newest members, Jenny & Simon Schofield and Elena & Robin Wood. The prize, a huge Toblerone bar (yes, related to one of the quiz questions) for each!

And thank you to our group leaders who spend a lot time organizing and coordinating their regularly scheduled meetings, Georges Sorbets, Guy Claude Allard and Anneke deVroom. And more special thanks to Florence Sorbets & Philippe LeMarchand who organized the successful Toulouse Wine & Food excursion. Lots of time and effort is spent to make all of our events successful. We have much to be thankful for this holiday season and all year. **And don't forget our Christmas Fiesta on December 14th!**
