

Dear Members,

We are still waiting for that warm spring weather. Pitch'nputt and Pétanque were both interrupted by bad weather this month 🙄 for lots of sunny days in May!

The Culinary Adventures group enjoyed a luncheon at Far Nomo restaurant in Llafranc sampling lots of Japanese tapas. It wasn't warm enough to sit on the terrace but 18 members enjoyed the ambiance and some even liked the food 😊😊

After a round table discussion May 1st with 14 members attending, a few event and calendar changes were agreed, beginning in June both Pétanque and Pitch'nputt will be held on Wednesdays. There is also a new set of Club guidelines for club sponsored activities & events. These will be posted on the website. If you would like a summary of the meeting, send an email to eventsclub@gmail.com.

The summer party and BBQ will be combined into one event on July 4th. The party will begin later in the afternoon with a live band and dancing if you desire! More changes were agreed to (and a totally new and different event, hopefully in September) which you will soon see on the calendar for the autumn/ winter season.

Our annual car rally will be held on May 15th, forty members have signed up to join in the treasure hunt and lunch. It promises to be a fun day; the car rally team winners of last year of Laura, Ben, Gerda and Roser has put a lot of effort into making sure you enjoy!

This is most definitely the shortest newsletter in our almost 3 year newsletter history! 🙄🤔
Hopefully our calendar of events will help you plan your spring social activities.
More next month! -Linda
