

This time of year is always so busy! To close out 2025 we had three events; a big thank you to our members who found time in their busy schedules to join us for Beaujolais night (26) the December GPL (30) and our annual winter party (40) at the Bacarola Hotel. As usual, all attending had a good time 🎉 The food at the winter party was excellent everyone mingled and danced at the winter party after the meal was finished. A few photos for you in this newsletter. There are additional photos, the portrait gallery and two videos for you to enjoy of the winter party on our website under the document section or just click here for instant viewing 😊

Now onto 2026! Our first event is the annual general meeting on Tuesday, January 20th at the San Jorge Hotel in Platja D'Aro. As you know, we have a vacant Vice President spot to fill and elections of all officers except treasurer. Our secretary will be sending out the 📢 announcement of the AGM soon. You will receive the invitation to attend the meeting and lunch the first week of January. Hope to see many of you there as there is always a lively discussion about something!

The Book 📖 Group has asked me to announce .... 📢 they are looking for new members who love to read and talk .....we know you're out there! 😊

Your events organizers are busy planning a few different events for 2026 and always welcome your input. The February culinary excursion is planned for a tour of Vichy Catalan and lunch. Another fun and interesting outing! We will update the website as soon as we schedule more events & activities.

Wishing everyone a happy holiday season and a bright and healthy new year. 2025 has been a challenging year for many of our members with the loss of loved ones and health challenges to face. I know I speak for everyone when I wish for all of you a better 2026. -Linda
