

Happy February ❤️ everyone,

Hope you're staying well in our winter weather, occasionally sprinkled with a bit of sunshine here and there.

Thank you to everyone who attended the Annual General Meeting, the minutes are on the website for all to read. Members attending elected the current board members for a three year term and a new vice president, Camie Maze.

We are planning activities for the year and working on the 2026 budget. Any suggestions for activities or anything else are always welcome!

 We have a new feature on our website, a photo gallery.

Easy to access, go to the menu on the home page and click on the menu: [cicb.eu](http://cicb.eu)

You will see the photo gallery option after club documents. Camie Maze will edit and ready the photos with a description of the event and have the web master, David Stuttard post them. Anyone interested in taking photos at events would be most appreciated 😊

Over 40 members enjoyed the February GPL on a cold blustery day. Photos of the pétanque competition are in the photo gallery.

We are offering an excursion in February to Barcelona to see the Sorolla exhibit at the Palau Martorell, a beautiful Beaux Arts building from the 19th century. Invite out soon.

Our March GPL will be the Calcots luncheon everyone looks forward to; hopefully good weather to enjoy the ritual outside!

 .....we are looking for a new editor ( or at the minimum members that are willing to contribute articles on a somewhat regular basis) of our newsletter! We know you're out there 🙌 It's an opportunity to be creative, help out, write articles to share and create a newsletter interesting to everyone.. 😊

## ATTENTION MOVIE LOVERS!

There are 5 cinemas in the area showing films with subtitles. If you have not seen this, an article from the monthly Call Carlos newsletter gives you a good overview of who, where and when:
